

Football - Eye Q Brand Guidelines

These guidelines outline the general rules when using Football - Eye Q's brand assets and showcasing the company's content.

Section 2.

Football - Eye Q Logo

This is our standard logo. Make sure you give our logo enough padding so it remains clearly visible.

Section 3.

Brand colors

Section 4.

Image backgrounds

When overlaying over an image, add a black overlay with 50% opacity.

Section 5.

Unacceptable uses

Similar background color

Avoid background colors with low contrast

Image with low contrast

Make sure to add a black overlay with 50% opacity.

Angled

Please don't rotate the logo.

Cropping

Your logo is beautiful, don't cut it off.

Don't get run over

Be sure to leave plenty of space around your logo

I can barely see it

Don't make it semi-transparent.
